The Commission received a petition requesting additional bus service on the State Park line of the Columbia city bus system.

In order to give all interested parties an opportunity to be heard, a public hearing was held in the Commission's office on Tuesday, October 26, 1954, for the consideration of this petition.

A witness for the petitioners testified that additional service was desired on this line, leaving Columbia between the hours of 8:00 and 8:30 P. M.. A witness for the Bus Company testified that an additional round trip on this line would cost approximately \$7.70.

IT IS FURTHER ORDERED: that the Company shall make weekly reports to the Commission showing the results of this additional service. The reports shall show the number of passengers carried, the amount of revenue received and the cost of operation, and

IT IS FURTHER ORDERED: that, if at the end of a thirty day trial period the revenue received does not equal or exceed the cost of operation, this additional service may be discontinued without further notice.
